Date Prepared: October 6, 2005

Section I – Product Identity

Sunzyme Odor Neutralizer

Section II – Hazardous Component Information

All materials used in this product are non-toxic and conform to the Toxic Substance Control Act and may be found in the FDA's Generally Regarded as Safe List. No materials used are listed by California's Proposition 65 as carcinogens. The specific chemical identities of the ingredients in this mixture are considered to be trade secrets, and are withheld in accordance with the provisions of 1910.1200 of Title 29 of the Federal code of Regulations.

Section III – Physical Properties and Chemical Characteristics

Boiling Point:	Above 100° C	Specific Gravity:	1.087 +/- .010
Solubility:	Complete	Vapor Pressure:	N/A
Vapor Density:	N/A	Evaporation Rate:	N/A
Appearance and Odor:	Clear Liquid with Characteristic Odor		

Section IV – Fire and Explosion Hazard Data

Flash Point: Not Flammable

Extinguishing Media: Carbon Dioxide, Dry Chemical, or Foam Extinguishers.

Special Fire Fighting Procedures: Self Contained Breathing Apparatus should be worn when fighting chemical fires.

Unusual Fire and Explosion Hazards: None

Section V – Reactivity Data

Stability:	Stable	Conditions to avoid:	Extreme Heat
Incompatibility:	None	Hazardous Polymerization:	Will not occur
Hazardous Deposition or By-products: None			

Section VI – Health Hazard Information

Undiluted material may be irritating to skin and eyes. Prolonged or repeated skin contact may cause allergic dermatitis.

Routes of entry: inhalation, accidental ingestion, and skin contact

Carcinogenicity: NPT? No IARC monographs: No OSHA Regulated: No

Signs and Symptoms of Exposure: Irritation of the skin and eyes; dizziness or lightheadedness; nausea and vomiting

Emergency First Aid Procedures: Inhalation: remove to fresh air immediately

Eye Contact: flush eyes with clean water; contact physician as needed

Skin Contact: remove contaminated clothing; wash with soap and water; contact physician as needed.

Ingestion: Ingest at least one pint of milk or water and contact physician immediately.

Section VII – Precautions for Safe Handling and Use

Contain spilled material with a suitable absorbent material. Eliminate all sources of ignition and ventilate area.

Dispose of waste in accordance with Federal, State and Local regulations.

Store in a sealed, upright container and in a cool, dry place away from sunlight when not in use.

Always practice good hygiene; wash hands after contact, remove any contaminated clothing.

Personal Protection: OSHA approved chemical resistant gloves and/or eyewear should be worn to prevent skin and/or eye irritation. Chemical resistant clothing may also be worn as an added precaution. If desired, use a NIOSH approved respirator.

Section VIII - Disclaimer

The information in this MSDS was obtained from current and reliable sources. This data is provided without any warranty, expressed or implied, regarding its correctness or accuracy. It is the user's responsibility both to determine safe conditions for the use of this product and to assume ability for loss, injury, or expense resulting from the misuse of this product.
